**Leeway is a trans-affirming organization committed to gender self-determination, and we use the term "trans" in its most inclusive sense, as an umbrella term encompassing transsexual, transgender, genderqueer, Two-Spirit people, and anyone whose gender identity or gender expression is nonconforming and/or different from their gender assigned at birth.*

Art for Social Change: What We Mean

ART FOR SOCIAL CHANGE

Leeway supports artists and cultural producers involved in art for social change that positively affects and respectfully engages communities and audiences. Creating social change must be integral to the ideas, beliefs, and goals that are woven throughout your art and your process of creating and sharing your art.

IMPACT OF ART WITH VISION

Art for social change is art with a vision and an intentional analysis. It is an artistic or creative cultural practice that may operate in traditional or nontraditional mediums, modes, or disciplines. Art with a vision impacts people in many ways. It can:

- Raise consciousness
- Alter how we think about ourselves, our society, or our culture
- Create a vision of a more just world
- Be a tool or strategy for organizing and movement building
- Preserve or reclaim traditional cultural practices using your artistic practice as a form of resistance or empowerment
- Create space for expression and build a sense of community
- Challenge racism, classism, sexism, homophobia, transphobia, ageism, ableism, or other oppressions
- Question mainstream culture and beliefs
- Shift or transform the perception of power and/or privilege and the dynamics associated with justice, equality, and/or accountability
- Engage and utilize a reciprocal process — where there is teaching and learning simultaneously and the consent for engagement is mutual, as is the benefit for yourself as an artist and the community you are engaging

How to Apply

The Art and Change Grant is open to individual artists and cultural producers working in any medium, including traditional and nontraditional as well as multimedia and experimental forms. The grant may be used for any project-related expenses (e.g., documentation, artist stipends, or the purchase of equipment or materials).

ELIGIBILITY

- Applicants are only allowed to submit one application per grant cycle.
- The Art and Change Grant is not for organizations, corporations, or fundraising activities.
- The Art and Change Grant cannot be used for activities that begin prior to when the grant is announced.

You are eligible to apply if you:

- Live in Bucks, Camden, Chester, Delaware, Montgomery, or Philadelphia County
- Are a woman and/or trans person
- Are at least 18 years old
- Have a Change Partner (see page 3)

You may *not* apply if you:

- Are a full-time student in an arts degree program
- Do not have a Change Partner (see page 3)
- Have received Art and Change Grants totaling \$2,500 in the current year
- Have received a 2017 or 2018 Leeway Transformation Award
- Have not turned in all reports due from previous Leeway grants and awards

YOUR CHANGE PARTNER

Leeway believes art for social change work happens through relationships — working with others collaboratively, often in community. Because of this, we ask artists to submit an application together with a Change Partner that affirms your grounding in a community-based process.

A Change Partner is: (1) someone the applicant has built a relationship with who is a member of the community that the project seeks to engage or in which it takes place, or (2) a person, organization, or business that a connection to the project in some form.

Eligible Change Partners may include mentors, editors, art spaces, theaters, nonprofit organizations, dance studios, radio stations, and production companies.

Change Partners cannot benefit financially from the grant.

Your Change Partner Form is addressed to the review panel and it details:

- The Change Partner's relationship to you and your project
- Why they believe you are well-suited to carry out this project
- What they will bring to the project as a Change Partner

Your Change Partner Form must be signed by your Change Partner and included with your application as an original (not a copy). Change Partner Forms are available online at leeway.org/ACG.

AGE AND RESIDENCY DOCUMENTATION

This documentation is confidential and will not be shared with anyone other than Leeway staff. You may mask any financial or sensitive information in these documents. **Note: You must submit documentation of both age and residency.**

For proof of age, include a clear photocopy of one of the following: driver's license, passport, birth certificate, non-driver's identification card, voter registration card, or immigration registration card or papers.

For proof of current residency, include a clear photocopy of one of the following: utility bill, rental agreement, mortgage agreement or payment coupon, house deed, tax return, or other verification of residency. Residency documentation should match the address you listed on page 1 of the application.

Note: If submitting online, you can upload a digital scan or photo (.pdf or .jpg) of your age and residency documentation, or you can mail it in or drop it off.

If you are unable to provide any of the above documents or have concerns about submitting them, call 215.545.4078 to discuss the matter with Leeway staff.

IF YOU HAVE BEEN SUPPORTED BY LEEWAY IN THE PAST, PLEASE NOTE THE FOLLOWING:

1. To be eligible for a grant, you must turn in any outstanding reports for past Leeway grants, awards, or residencies. Your report should outline what you were able to accomplish with the grant, even if the project changed or you were not able to complete it. Electronic project report forms can be found at leeway.org/grantreport.
2. The Art and Change Grant annual limit per individual artist is \$2,500. For example, if you are granted \$1,000 in one grant cycle, you may apply for another grant of up to \$1,500 in a later cycle that same year.
3. Art and Change Grants are not intended to fund the same project for which you received a prior grant. However, you are encouraged to apply for different phases of a single project.
4. You may apply for and receive an Art and Change Grant, a Transformation Award, a residency, and Window of Opportunity grant in the same year.

COLLABORATION: APPLYING WITH OTHER ARTISTS

You may apply collaboratively with other artists for the Art and Change Grant. We understand that most projects are done in collaboration with others, so you are only required to submit an application with a co-applicant if you are both playing the same roles as artistic directors or partners for the project. Applicants may only apply once per cycle, whether submitting as a part of a collaborative or as an individual.

- Each co-applicant must meet Leeway's basic eligibility requirements (see guidelines page 2).
- Indicate in the Artist Information section that your project is a collaboration and whether you are the main contact person.
- Each co-applicant must submit separate Artist Information and Experience sections (make sure to detail any collaborative experience you have together).
- Each co-applicant must provide age and residency documentation.
- Co-applicants must submit one joint form for each of the following: Project Description, Project Budget, and Change Partner.
- All hard-copy application materials must be submitted together in one envelope.
- If you are selected for a grant, the grant check will be issued to the collaboration's main contact.

GRANT STATUS NOTIFICATION

Grant notification letters are mailed approximately 8 to 10 weeks after the application deadline. Prior to receiving the grant check, grantees must fill out a W-9 tax form and provide their legal name. Contact Leeway staff if this presents any difficulties for you.

Applicants who are not awarded a grant may contact Leeway staff for panel feedback.

GRANT REPORTING

- Please notify Leeway immediately of any major changes to your project.
- Within 60 days of completing your project, you must submit a final report that includes a brief description of your project's impact on you as an artist as well as on the community and/or audience.
- Report forms are mailed to you with your award letter and are also available online at leeway.org/grantreport.

Social Change Intent/Vision

We ask you to identify at least one but **no more than three** social change categories that best describe the intent or vision behind your project. With each of these there are questions to consider as you prepare your application as part of that social change intent. There is no correct or incorrect way to choose; you should pick one that resonates with you as the core intent or vision of your work. You will have an opportunity to define further what that vision is for you in question 3 of the application.

Cultural preservation

What is the culture being preserved? What are the threats to that culture? What is at stake if it is lost?

Decarceration

What are the roots of mass incarceration? How do we imagine a world in which more prisons are not the first “solution”?

Demilitarization

How can we reimagine “security” to not mean more guns and bigger tanks for police forces and armies? If war is not the answer, what is?

Disability justice

What would it look like to live in a world where all bodies are able to participate fully in the world? What does accessibility look like, not just in terms of technological aides but ways in which we are in community together?

Economic justice

What would an equal distribution of wealth look like? What are the historic and systemic roots of denying certain communities access to resources? How could economies exist outside of a framework focused on profit?

Environmental justice

What are the historic and systemic roots that have resulted in certain communities being most adversely affected by pollution and climate change? What would it look like to live in a world where all people, particularly those most affected, were involved in the development and implementation of environmental practices?

Feminism

What are the ways that systems marginalize people based on their gender? And what is the vision for how this could change?

Immigrant justice

What are the root causes of migration? What does it mean to support immigrants and protect immigrants' safety, promise of opportunity, and dignity?

Indigenous sovereignty

How do indigenous people survive and thrive in the context of genocide and displacement? How do communities build together to (re)claim land, cultural practices, power, and resources?

Land sovereignty / housing security

How do people survive and thrive in the midst of displacement from their homes from forces like gentrification, war, or violence? How do communities create ways to ensure housing security and connection to land amid these displacing forces?

LGBQA social movements

What are the historic and systemic roots of denying people access to resources based on their sexuality? How do LGBQA people survive and thrive?

Racial justice

How do we undo the results of a legacy of slavery, genocide, and segregation?

Transgender justice / gender self-determination

How do we dismantle the concept of gender as a binary? How do trans and gender nonconforming people survive and thrive?

Artistic Disciplines

We ask you to choose a primary category, as well as a secondary category if needed, that best represents your project. This will allow us to group applicants by discipline for the purpose of evaluating our programs. The application provides an opportunity for you to talk more about the multidisciplinary or hybrid nature of your work, should you feel constrained by these categories.

Below is a list of categories and examples of disciplines. If your disciplines are not listed or if you have questions about which category to choose, call Leeway staff at 215.545.4078.

In a later part of the application you will have to explain how your artistic practice engages with and expresses the social change vision and intent categories you choose.

- Question 3: This should directly connect your project to the social change intent you indicated in the Project Information section of the application. How is your project creating social change or a step toward long-term change?
- Question 4: Explain why you are working with a particular audience, group, or community for this project and what your relationship to that community is.
- Question 5: What role does that audience and/or community play in your project? How will they find out about the project and get involved? What will that involvement look like? What impact do you expect to have in Greater Philadelphia?
- Question 6: Social change work happens through relationships. Provide context about your relationship with the Change Partner you have selected and what they will contribute to the project.
