Art for Social Change: What We Mean

Leeway supports artists and cultural producers involved in art for social change that positively affects and engages communities and audiences. Creating social change must be integral to the ideas, beliefs, and goals that are woven throughout your art and your process of creating and sharing your art.

IMPACT OF ART WITH VISION

Art for social change is art with a vision and an intentional analysis. It is an artistic or creative cultural practice that may operate in traditional or nontraditional mediums, modes, or disciplines. Art with a vision impacts people in many ways. It can:

• Raise consciousness
• Alter how we think about ourselves, our society, or our culture
• Create a vision of a more just world
• Be a tool or strategy for organizing and movement building
• Preserve or reclaim traditional cultural practices using your artistic practice as a form of resistance or empowerment
• Create space for expression and build a sense of community
• Challenge racism, classism, sexism, homophobia, transphobia, ageism, ableism, or other oppressions
• Question mainstream culture and beliefs
• Shift or transform the perception of power and/or privilege and the dynamics associated with justice, equality, and/or accountability
• Value healing justice practices focused on strengthening communities, not just individuals
• Engage and utilize a reciprocal process — where there is teaching and learning simultaneously and the consent for engagement is mutual, as is the benefit for yourself as an artist and the community you are engaging

How to Apply

The Art and Change Grant is open to individual artists and cultural producers working in any medium, including traditional and nontraditional as well as multimedia and experimental forms. The grant may be used for any project-related expenses (e.g., documentation, artist stipends, or the purchase of equipment or materials).

ELIGIBILITY

• Applicants are only allowed to submit one application per grant cycle.
• The Art and Change Grant is not for organizations, corporations, or fundraising activities.
• The Art and Change Grant cannot be used for activities that begin prior to when the grant is announced.
• You may apply for and receive an Art and Change Grant and a Transformation Award and/or Media Artist + Activist Residency in the same year.

You are eligible to apply if you:
• Live in Bucks, Camden, Chester, Delaware, Montgomery, or Philadelphia County
• Are at least 18 years old
• Identify as a woman, trans*, and/or gender-nonconforming person
• Have a Change Partner (see page 3)
YOUR CHANGE PARTNER

Leeway believes art for social change work happens through relationships — working with others collaboratively, often in community. Because of this, we ask artists to submit an application together with a Change Partner that affirms your grounding in a community-based process.

A Change Partner is: (1) someone you have built a relationship with who is a member of the community that the project seeks to engage or in which it takes place, or (2) a person, organization, or business that has an interest in or connection to the project in some form.

Eligible Change Partners can live within or beyond the Greater Philadelphia Area and may include mentors, editors, art spaces, theaters, nonprofit organizations, dance studios, radio stations, production companies, etc. — or anyone who can support the project.

Change Partners cannot benefit financially from the grant.

Your Change Partner Form is addressed to the review panel and it details:

- The Change Partner's relationship to you and your project
- Why they believe you are well-suited to carry out this project
- What they will bring to the project as a Change Partner

Your Change Partner Form must be completed and signed by your Change Partner. Hard-copy Change Partner Forms can be dropped off at our office – or completed online at leeway.org/ACG.

AGE AND RESIDENCY DOCUMENTATION

All applicants must verify that they:

- Live in Bucks, Camden, Chester, Delaware, Montgomery, or Philadelphia County
- Are at least 18 years old

Should you be awarded a grant, you will be asked to provide proof of both your age and current residency before receiving any funds. This documentation is confidential and will not be shared with anyone other than Leeway staff. You may mask any financial or sensitive information in these documents.

For proof of age, you will need to provide one of the following:

- Driver's license, passport, birth certificate, non-driver’s identification card, voter registration card, or immigration registration card or papers

For proof of current residency, you will need to provide one of the following (which should match the address on your application):

- Utility bill, rental agreement, mortgage agreement or payment coupon, house deed, tax return, or other verification of residency (must be cleared by Leeway staff)

If you are unable to provide any of the above documents, call 215.545.4078 or email info@leeway.org to discuss the matter with Leeway staff.
IF YOU HAVE BEEN SUPPORTED BY LEEWAY IN THE PAST, PLEASE NOTE THE FOLLOWING:

1. To be eligible to apply for a grant, you must turn in any outstanding reports for past Leeway grants, awards, or residencies. Grant report forms can be found at leeway.org/grants/reports.

2. The Art and Change Grant annual limit per individual artist is $2,500. For example, if you are granted $1,000 in one grant cycle, you may apply for another grant of up to $1,500 in a later cycle that same year.

3. Art and Change Grants are not intended to fund the same project for which you received a prior grant. However, you may apply for different phases of a previously funded project.

COLLABORATION: APPLYING WITH OTHER ARTISTS

You may apply collaboratively with other artists for the Art and Change Grant. We understand that most projects are done in collaboration with others, so you are only required to submit an application with a co-applicant if you are both playing the same roles as artistic directors or partners for the project. Applicants may only apply once per cycle, whether submitting as part of a collaborative or as an individual.

- Each co-applicant must meet Leeway’s basic eligibility requirements (see guidelines page 2).
- Each co-applicant must submit separate Artist Information and Experience sections (make sure to detail any collaborative experience you have together).
- Co-applicants must submit one joint form for each of the following: Project Description, Project Budget, and Change Partner.
- If submitting a hard-copy application, materials must be submitted together in one envelope.
- If submitting an online application, collaborators (who are not the main contact person) should complete a co-applicant form.
- If you are selected for a grant:
  - Each co-applicant must provide both age and residency documentation.
  - The grant check will be issued to the collaboration’s main contact.
  - Please be aware that the main contact will hold tax liability for the grant. See “Grant Status Notification” section below.

GRANT STATUS NOTIFICATION

Grant notification letters are sent approximately 8-10 weeks after the application deadline.

To keep our process transparent, every applicant receives feedback, based on the panel’s deliberations. This offers a view into the process and gives information applicants can use as they think about their work and future applications to Leeway or other funders. Applicants may opt out of receiving feedback.

If you are awarded a grant, you must fill out a W-9 tax form and provide your legal name so that Leeway can send you a 1099 form for tax purposes. Leeway is required by the IRS to issue 1099 forms to grantees and needs your legal name for tax purposes. Contact Leeway staff if this presents any difficulties for you.

GRANT REPORTING

- Please notify Leeway immediately of any major changes to your project.
- Within 60 days of completing your project, you must submit a final report that includes a brief description of your project’s impact on you as an artist as well as on the community and/or audience.
- Report forms are mailed to you with your award letter and are also available online at leeway.org/grants/reports.
Social Change Intent/Vision

We ask you to identify at least one but no more than three social change categories that best describe the intent or vision behind your project. With each of these, there are questions to consider as you prepare your application as part of that social change intent. There is no correct or incorrect way to choose; you should pick one that resonates with you as the core intent or vision of your work. You will have an opportunity to define further what that vision is for you in question 3 of the application.

Cultural preservation / restoration
What is the culture being preserved? How is it threatened? What is at stake if it is lost? How might we conserve or reclaim traditional cultural practices by using an artistic practice as a form of resistance or liberation?

Decarceration
What are the roots of mass incarceration? How do we imagine a world in which more prisons are not the first “solution”? How might we redefine justice?

Demilitarization
How can we reimagine “security” to not mean more guns and bigger tanks for police forces and armies? If policing and war are not the answer, what is? What do community safety and investment look like?

Disability justice
What would it look like to live in a world where all bodies are able to participate fully in the world? What does accessibility look like, not just in terms of technological aides but ways in which we are in community together?

Economic justice
What would an equal distribution of wealth look like? What are the historic and systemic roots of denying certain communities access to resources? How could economies exist outside of a framework focused on profit?

Environmental justice
What are the historic and systemic roots that have resulted in certain communities being most adversely affected by pollution and climate change? What would it look like to live in a world where all people, particularly those most affected, were involved in the development and implementation of environmental practices?

Feminism
What are the ways that systems marginalize people based on their gender? And what is the vision for how this could change through an artistic practice – not just your personal identity as an artist?

Immigrant justice
What are the root causes of migration? What does it mean to support immigrants and protect immigrants’ safety, promise of opportunity, and dignity?

Indigenous sovereignty
How do indigenous people survive and thrive in the context of genocide and displacement? How do communities build together to (re)claim land, cultural practices, power, and resources?

Housing justice
How do people survive and thrive in the midst of displacement from their homes from forces like gentrification, violence, or poverty? How do communities create ways to ensure housing security and connection to land amid these displacing forces? How are the housing needs of all communities, not just privileged ones, met?

LGBQA social movements
What are the historic and systemic roots of denying people access to resources based on their sexuality? How do LGBQA people survive and thrive?

Racial justice
How do we undo the results of a legacy of slavery, genocide, and segregation? How might we create equitable power and access?

Transgender justice / gender self-determination
How do we dismantle the concept of gender as a binary? How do trans* and gender-nonconforming people survive and thrive?
Artistic Disciplines

We ask you to choose a primary category, as well as a secondary category if needed, that best represents your project. This will allow us to group applicants by discipline for the purpose of evaluating our programs. The application provides an opportunity for you to talk more about the multidisciplinary or hybrid nature of your work, should you feel constrained by these categories.

Project Description

PLEASE ANSWER THE FOLLOWING QUESTIONS. To answer the following six questions, you may use either this application form or two separate sheets of paper (8.5" x 11", minimum .75" margins, 11-point font or larger). Do not exceed two pages of typed text for the six questions. If using a separate sheet of paper, pages cannot be double-sided. Please make sure your name is on every page and that you number the questions. Answer all six questions thoroughly. Do not include links to external websites or images.

1. Summarize your art for social change project.
   Consider the who, what, when, and where of the project.

2. Why is this project important to you?
   Consider your motivation for doing this project and its urgency.

3. a) As part of this process, you were asked to identify the social change intent of your artistic or cultural project from a list. Explain how your project engages with and expresses this social change vision.

   b) Describe the goals and intended impact of your project. How does the art create action – not just for a few individuals, but for communities and movements for systemic change?
   Remember: The panel understands that the ultimate social change you seek may not be the direct outcome of this project; however, they will expect your project to be a step in the direction of the change you seek.
4. Define your community or audience. What is your relationship to the audience(s) or communities you will work with on this project? How does your identity or who you are play a role in this? *Consider who you are and why you are working with this community/audience.*

5. How does the project engage the audience(s) or communities you are working with? If your project takes place outside of the Greater Philadelphia region, explain how you will make a connection to the region and engage audiences here. *Consider how the community is involved in the project and how they – and the region – will be impacted.*

6. Why did you choose your Change Partner? What kind of expertise or support will they provide? What is their connection to the project and/or the communities you are working with? *Remember: Leeway believes social change work happens through relationships. Provide context about your relationship and how it will benefit the project.*

*Note: A completed Change Partner Form is required. Without it your application is incomplete and will not be considered for funding.*
## Project Budget

Provide information about your project expenses below or detail this information on one side of a separate sheet of paper. Any element necessary to make your project happen (e.g., equipment, supplies, artist and participant stipends, transportation) is considered a project expense. Make sure that everything listed in the budget is clearly connected to what you described in the Project Description section.

Under project expenses, you may group expense items together (e.g., “painting supplies” as opposed to listing paint, brushes, easel, canvas, etc. as separate items). **Total project expenses should be equal to or more than the total request from Leeway.**
